

Core i7 Quad Core 3.4 GHz (I7-2600)

Pricing

Monthly Price	\$149.00
Setup Fee	\$25.00

Basic Features

RAM	4 GB DDR3
RAM Upgradeable to	16 GB
Model Number	I7-2600
Hard Drive	500 GB SATA2
Monthly Transfer	12 TB
IP Addressess	4
Front Side Bus Speed	5 GT/s
L3 Cache	8 MB
Uplink Port Speed	100 Mbit/s
Standard Dedicated Server Support	Scope of Support Overview

New processor with best-in-class performance for the most demanding applications. It adds speed when you need it and is complete with built-in visual capabilities. Features 8-way multitasking capability and additional L3 cache. Codero can manage your server for you with managed hosting solutions and a' la carte custom support.

Always Included

- ✓ 100% Uptime Guarantee
- ✓ 24/7/365 Live US Based Support
- ✓ Customized Configurations
- ✓ Rewards Points Program
- ✓ SSAE No. 16 Certified
- ✓ No Contracts

Optional Add-Ons

- Control Panel (cPanel or Parallels)
- Firewalls
- Load Balancer
- Server Protection Plan
