

Managed Hosting Services... a higher level of personal support

Dedicated Managed Hosting Solutions take you to the next level of support. The distinct set of services is designed to assist you in improving your server efficiency while reducing your total administration costs.

Codero offers three different levels of Managed Hosting: Basic, Select and Premium. All three include valuable elements that come standard from Codero in comparison to competitors' plans.

Select Server Management provides a dedicated team to monitor and mitigate risks to secure your IT infrastructure. This Semi-Managed Hosting solution can improve the efficiency of your IT systems. Thanks to a flexible server setup and full range of à la carte custom services, you have everything you need for a secure, optimized site.

Select Managed:

- Managed email services (up to 80 users)
- Managed DNS services
- Managed OS/software/server updates
- Proactive services monitoring
- Intrusion detection system
- 20% off advanced support
- À la carte support options
- Server protection plan
- Starting at \$110.00

Standard in every plan:

- 100% uptime guarantee
- 24/7/365 live U.S.-based support
- Customized configurations
- 100% powered green hosting
- Rewards Points program
- SAS 70 Type II certified
- Knowledge Base detailed answers
- Live chat real-time support
- Customer portal for troubleshooting
- Free OS installations
- Server Protection Plan—bandwidth overage fees waived
- 3 monthly à la carte services
