

Codero Reseller Partner Program

The Codero Reseller Program is designed to offer qualified hosting resellers a quick, cost-effective way to generate more revenue for your business. You can add hosting to your blend of services with confidence as you rely on Codero to deliver services in the most dependable way. There is no need for extensive technical knowledge. You can simply tap into our IT expertise and inventory to resell all products and services we offer.

The program can help you satisfy your end customer's needs and grow on demand. You can create unlimited websites under your own brand name and boost your bottom line. You'll have complete control over what you repackage and resell to offer your own customers.

Four plans give resellers volume discounts from normal pricing on dedicated servers and setup fees.

Discounts for Resellers:

Reseller Level	Server Volume	Setup Fee Discount	Monthly Fee Discount
Prime	5-10	25%	5%
Preferred	11-20	50%	8%
Premier	21-40	75%	10%
Elite	40+	100%	15%

Codero Reseller Program Distinctions:

- Discounts from normal pricing and setup fees
- Price Match Guarantee on apple-to-apple comparisons
- Rewards Points Program
- Dedicated Account Executive to manage your reseller plan
- Guaranteed 99.9% Uptime
- Live U.S.-based Support Available 24/7/365
- SAS 70 Type II Certified
- Windows®, Linux and Unix Dedicated Servers
- 15+ years Industry Best-practice Expertise
- No Contracts

Criteria for Resellers:

- Be a Codero customer for 30 days with account in good standing at all times
- Provide a verifiable website, company name and address
- Discounts apply to approved Codero Resellers with 5 or more servers
- Pricing discounts apply only to new servers and will not be applied to any existing servers
- Not all customers will be approved for the Codero Reseller program
- Discounts do not apply to Codero's specials or non-retail pricing
- Credits on an account cannot be used to purchase new servers
- Must provide first level technical support to your clients
- Must provide an "added-value" layer of service to the basic Codero service offering
- Reseller must advise their customers about a 5 to 7 business day window for most new servers provisioning once payment is received and billing verification passes
- Must receive and resolve SPAM, DMCA and Abuse reports of your clients
- Reseller risks all servers being suspended if abuse occurs
- Resellers and Reseller's customers must agree to all TOS, SLA, and AUP agreements of Codero
- It is the Reseller's responsibility to understand and abide by all changes at any time
- We reserve the right to reject non-qualified reseller applications

Competitive prices combined with exceptional support make Codero the ideal choice for resellers. If you have questions about the Reseller Program, please call 913-890-8250 or email Sales@codero.com.
