

Codero Special Discount Pricing Policy

General: Subject to the conditions set forth below, Codero will offer special discounts of fifty percent (50%) (“Special Discount”) on purchases of new Codero Dedicated Servers that are configured in Codero’s “base” configuration (“Special Discounted Servers”).

Who Is Eligible? Any person may purchase a Special Discounted Server.

Can I Lose My Special Discount? Yes. If you are an existing Codero Dedicated Server customer and you purchase one or more Special Discounted Servers, for each Dedicated Server that you purchased before the start of the Special Discount promotion that you close within twelve (12) months of purchasing a Special Discounted Server, you will lose the Special Discount on one (1) Special Discounted Server.

Will The Special Discount Pricing Apply to ALL Codero Products and Services? No. The Special Discount pricing is available only for purchases of Codero Dedicated Servers.

Will The Special Discount Apply To All Codero Dedicated Servers Configured in Codero’s “Base” Configuration And Purchased While The Special Discount Pricing Is In Effect? Yes.

Will The Special Discount Be Offered For Any Other Codero Services? No.

Is The Special Discount A Limited Time Offer? Yes. Codero will start the Special Discount promotion on May 17, 2010, at approximately 9:00 a.m. Central Standard Time (“Start Date/Time”) and Codero may terminate the Special Discount promotion at any time or at any hour without notice. Any price quotes we send to regarding a purchase of Special Discounted Servers will automatically expire when the Special Discount promotion is terminated but in any case will not be valid for more than twenty-four (24) hours

Will Special Discounted Servers Receive All The Benefits of The Codero SLA? Yes, with one exception, specifically, Codero does not guarantee that Special Discounted Servers will be setup and connected to the Internet with the operating system and control panel in place within 24 hours of our receipt of your signed paperwork.

Are There Any Other Restrictions? Yes:

- No upgrades to Special Discounted Server(s) are eligible for the Special Discount. All upgrades will be priced at Codero’s regular published price.
- No more than five (5) Special Discounted Servers may be purchased by any one individual customer (or set of related customers).
- The number of Special Discounted Servers available for purchase is limited to the number of Dedicated Servers in Codero’s Phoenix, AZ data center inventory on the Start Date/Time.
- All Special Discounted Servers will be housed in Codero’s Phoenix, Arizona Data Center.
- The pricing set forth herein cannot be combined with any other Codero discounts.

Questions: If you have any questions or concerns about this Special Discount Pricing Policy, please contact us at specialdiscount@codero.com.

Updates: We may periodically update this Special Discount Pricing Policy at any time without prior notice to you. This Special Discount Pricing Policy was updated on or about May 17, 2010.
